

The (CITY OF CAMERON WATER DEPARTMENT PWSD #3302603) with the assistance of Marshall County Emergency Management are providing a Wireless Emergency Notification System (WENS) for the residents of the county. By signing up you will receive alerts and public service announcements in the event of a water break or outage. Along with any emergency or weather warnings in your area. An alert may be sent to the phone or phones you provide and/or your email address.

This is a free service provided by the county; however, normal message fees may apply. To receive text messages to your cell phone, your phone must have text messaging capabilities.

There are two ways to register, simply text "[MarshallWVAlerts](#)" to [69310](#), you will be provided with a registration page link.

Or you can sign up online by going to Marshall County's Website and clicking on the Emergency Management or 911 tab or typing in:

marshallcountywvoem911.com in your browser.

All residents are urged to sign up, for any questions or assistance please call our office at (304) 686-2366.
