

October 1 – 4, 2026
Belmont County Fairgrounds

Dear Civic Leaders,

We respectfully request your help in locating living family members of Marshall County residents whose names will be displayed on *The Wall That Heals* when it comes to Belmont County on October 1.

This meaningful event honors those who served and sacrificed. As part of the commemoration, we hope to personally recognize these fallen heroes by inviting their families to carry the panel bearing their loved one's name and receive special recognition during the ceremony.

Your support in sharing this request through local networks, community organizations, veterans' groups, and public communications would be invaluable in helping us reach as many families as possible and include them in this important remembrance.

If you can assist in any way or would like more information, please contact us at your earliest convenience. With your help, we can ensure these service members and their families receive the recognition they deserve.

Thank you for your time, leadership, and continued service to our community. Enclosed you will find a list of names.

Respectfully,

Belmont County Wall That Heals Committee
