- Stephanie Neely- None
- Hunter Chambers – Noticed a large slip in hillside beside creek going south on Dragon Highway. Check to see who owns the property. If it falls into the creek, it will cause problems.
- Betty Kinney – Check to see who owns the steps located by 99 Main Street. They are in terrible shape and kids keep playing on them. Can city crew block off with hazard tape? A lot of traffic

is coming down Main Street the wrong way. 4 wheelers and bikes have also been traveling at all hours of the night and early morning. They are loud. What is the time frame for noise ordinance within city limits?
